1 I saw the above-named individual before me and informed him that I, a police officer, Yaakov
 2 Barazani, badge number 99106, inform you that you are suspected of membership and activity in a
 3 hostile organization, in planning terrorist attacks and aiding in carrying out terrorist attacks and
 4 activities against the security of the Area. You do not have to say anything but this will strengthen the
 5 evidence against you and whatever you say will be taken down by me. After he understood the

 8
 9 I understand everything that you have said to me and I wish to give my statement of my good free
 10 will.
 11 Question: Do you know Saad Abu Musaad Saad a-Din, a man from Amari Camp?
 12 Answer: Yes, I know him since school because we studied in the same class when we were little and
 13 we learned at school in Amari together. We have not been in touch since school, because we studied
 14 until the sixth grade or so.
 15 Question: Do you know Nasser Abu Hamid of Amari Camp?
 16 Answer: I heard about him and know him only by sight, but not more than that.
 17 Question: In his statement, Saad a-Din states that you participated in shooting at IDF forces with
 18 Nasser Abu Hamid at al-Balua (Ish Junction) with many others. What is your response?
 19 Answer: This is not true and nobody knows why he said that about me, and I did not do this ever, and
 20 maybe he is saying this about me because he saw me when I was wearing clothes belonging to Amni
 21 al Wakai of the Palestinian Authority Preventive Security, and I have a Kalashnikov and an M-16
 22 from work. And I did not shoot anywhere.
 23 Answer: What is your full name? And what is your alias?
 24 Answer: Me, my name is Mohamed Abdel Rahman Salem Maslah and I am called Abu Satha,
 25 because I had an injury in the forehead when I was small and I have the alias Abu Satha since I was
 26 little in Saudi Arabia.
 27 Answer: Since when have you been working at Amni Al Wakai?
 28 Answer: I have been working at the Preventive Security Force for two years. Initially I would
 "volunteer" a source and I would get 500 shekels a month, and I was armed with a firearm, and five
 months ago I started to work with Jibril Rajoub officially, and I get a salary every month.
Question: I say that Saad a-Din states that at the beginning of the events you participated in shooting.
 Is this true?

1 Answer: I did not shoot and at the beginning of the events I was a guard in Jibril Rajoub's house,
2 which is in al-Balua and I did not shoot at this time and I would only guard and hear the gunfire at al-
3 Balua and also I did not see who was shooting on the Palestinian side.
4 Question: Do you know Bashar Hassan Abed Barghouti of al-Bireh, who is a doctor?
5 Answer: I don't know if I know him, if I see his picture maybe I will remember him.
6 Question: In his statement of February 18, 2002, Bashar says that you have a forged Israeli identity
7 card with which you brought in a terrorist who carried out attacks in Jerusalem. What do you have to
8 say about this?
9 Answer: That is not true and I have no forged Israeli identity card and also I have not done anything
10 to help terrorists come in to carry out attacks in Jerusalem and we at the Preventive Security Force
11 prevent such things in our work.
12 Question: If so, why did two people testify that you do these serious acts?
13 Answer: Maybe because I worked at Marwan Barghouti's office because I worked s at Marwan's
14 office for two month- from July 15, 2001, until two months thereafter.
15 Question: And did Marwan have anything to do with these attacks?
16 Answer: I work at the legislative council as a driver at Abu Ala's office instead of a friend of mine
17 who traveled to America, and because there was no vehicle in the office, they sent me to work at
18 Marwan's office as a member of legislative council and I worked for two months, and I saw that the
19 situation was bad and dangerous, because the Jews wanted Marwan Barghouti, and because of that I
20 stopped working for Marwan and I went straight to work for the Preventive Security Force.
21 Question: Who is your friend Zidan from Um Sharait?
22 Answer: His name is Zidan Al Badawi, aged about 26, works with a truck because his brother has a
23 gravel truck and he and his brothers work on the truck in transporting gravel, and I want to tell you
24 that two years ago I went on a course in the police on disassembling and assembling Kalashnikovs
25 and M-16s. The course was in a-Tira and we did not fire the guns and we only learned about them and
26 whoever studies in a course on firearms at the Palestinian Police learns only disassembly and
27 assembly in a-Tira. That is my notice and I sign to everything that I said in my statement being the
28 truth after my statement was read and translated into Arabic.
